BIGGEST AND THE MOST
COMPREHENSIVE'**

Independent

This new, completely revised edition of the *Penguin Guide* surveys the major classical recordings issued and reissued over the past five decades, many of which have dominated the catalogue because of their sheer excellence, irrespective of their recording dates. More thorough than ever before, it indicates key recordings on CD, as well as on DVD, with their extra video dimension, and enhanced SACD, including those in surround sound.

If you want the finest available version of any major classical work (including DVDs of opera and ballet), you will find it listed and acutely assessed in these pages.
